ABOUT HILL OF PRODUCTS

A practical range for professional buyers.

Hill of Products supplies beauty and grooming instruments to wholesalers, distributors, salons and professional buyers. Based in Sialkot, Pakistan, we bring selected tools together in one clear range for bulk enquiries.

01 Source with clarity

Each model has a dedicated HOP code. Size and finish options are grouped so you can specify an order without navigating duplicate listings.

02 Build your assortment

Choose lash tools, nail-care instruments, barber scissors and coordinated kits to suit your business.

03 Ship worldwide

Worldwide shipping with tracking is available. We confirm quantities, packaging and order timing with your quotation.

The beauty instruments in this catalogue are sourced and supplied by Hill of Products. Images show selected configurations; some have been edited for presentation. Confirm final specifications and supplied contents before ordering.
